  - **Present a poster on promoting OA week activities at ILF** (November 17-19). Matthew Shaw will be leading a subgroup to create the poster and accompanying handout.

  - **Hold an unconference on scholarly communications topics in the summer, 2015.** The conference will be directed at librarians who want to learn more about scholarly communications issues in general, helping people with copyright and author’s rights issues, and ways to promote/support open access. If this proposal is approved, funding will be required for meals for attendees.
