**Election of At-Large Member of the Board Proposal**

**The Problem**
Because the at-large member is not elected until the Annual Meeting, that person cannot be considered by the Nominating Committee for an office. The only way for the at-large member to be considered for office is for someone to nominate that person from the floor. In order to do this, separate elections on the day of the Annual Meeting must be held – first to elect the at-large member, and then after those results are known, the election of officers. This has always caused some confusion among our members.

**Option 1**
Leave as is with the exception of holding the election of the at-large member early in the morning session and the election of officers in the afternoon business session. Separating the two elections by several hours would reduce the confusion.

**Option 2**
Decide that the at-large member can not hold office. Nothing in the by-laws prohibits this decision and it would allow only one election to take place on the day of the Annual Meeting. While theoretically, this may not seem fair to the at-large member, in practice, there have never been nominations from the floor for officers (except for the first meeting when we did not have a nominating committee).

**Option 3**
Decide that no nominations from the floor will be accepted. This would allow only one election to take place. However, this would require a change in by-laws. Section 6.2 states “Additional nominations may be made from the floor provided there is a second and that the nominator has obtained the consent of the nominee prior to making the nomination.”

**Option 4**
Elect at-large member by electronic means prior to the Nominating Committee developing the slate for officers. Section 2.13 allows for electronic voting: “Any action that may be taken at an annual, a regular or a special meeting of members may be taken without a meeting if the Corporation delivers a written or electronic ballot to every member entitled to vote on the matter.”

This option also would require a change in the bylaws. Section 6.2 states “The election of officers and the at-large member of the Board of Directors shall occur, as specified above, at the annual meeting of the members but no later than June 1.” This would need to be changed to allow early election of the at-large member and to specify that the at-large member would need to be elected before the end of March.

Timeline needed if **Option 4** is adopted:

Feb. 1 - Constituency elections complete and names of board members for following year given to the chair of the Nominating Committee. (Section 3.2 states that the “Board of Directors should be elected by their respective constituency groups three months prior to the annual meeting.” This would need to change to read “at least three months prior…”)

Feb. 25 – Nominating Committee submits three names for the at-large position to the membership via email and solicits nominations “from the floor.”

March 10 – Nominating Committee sends electronic ballot out for at-Large member.

March 25 - Deadline for voting for At-large member.

April 15: Nominating Committee sends out proposed slate for officers to members. (The by-laws require the proposed slate to be delivered at least 15 days prior to the annual meeting.)
