```
< 30 Buyers 37% Discount   31+ Buyers 43% Discount
```

- An individual library can get secure an additional 5% off if purchasing both offers.

**Gale Virtual Reference Library UDA Program**
LYRASIS Members can now access all of the Gale imprints (more than 2,000 titles) in the GVRL, imprints such as Macmillan, Reference USA, Charles Scribner's Sons, St. James Press, Greenhaven Press, Lucent Books, UXL, and more, and select titles for addition to their library's permanent collection through the Gale User Driven Acquisition (UDA) Program.

A library can enjoy maximum access to Gale imprints in the GVRL while purchasing the most used titles along the way. At the start of each subscription period the library pays a “deposit” which at the end of
each period is used to purchase perpetual access to the most frequently used books.

Designed for 6 month periods, libraries can choose either a 6 or 12 month period. Pricing is based on FTE or population served. For those below the thresholds (see below) the minimum 6 month deposit is $2,500 and 12 month deposit is $5,000. For those above the thresholds (see below) the minimum 6 month deposit is $5,000 and 12 month deposit is $10,000.

Library Thresholds:
- Academic/community colleges: Less than 3,000 FTE
- Public: less than 50,000 population served

Gale will provide additional value to libraries that exceed certain deposit levels over the term of their subscriptions (additional details are available upon request). During the introductory sign-up period ending June 30, 2014, LYRASIS has a special value-add offer that will increase the value of a Member library's deposits immediately. If 50 LYRASIS Member libraries join, Gale will add 50% to the amount of each deposit. At 100, the amount each library deposits will be doubled.

**Easy DDA eBooks (on ProQuest EBL Platform)**
- Subject packages are built on the Library of Congress Classification (LCC) system.
- The 18 subject packages can be parsed according to publication dates or used as a whole, based on your needs and budget.
- We have eliminated very high-priced books that can be budget busters.
- Subject packages include:
  - Agriculture (Class S)
  - Bibliography, Library Science, Information Resources (Class Z)
  - Education (Class L)
  - Fine Arts (Classes M, N, TR, TT)
  - History (Classes C, D, E, F)
  - Language and Literature (Class P)
  - Law (Class K)
  - Math and Computer Science (QA)
  - Medicine (Class R, QM, excluding RT)
  - Military Sciences (Classes U, V)
  - Nursing (RT)
  - Philosophy (B, BC, BD, BH, BJ)
  - Political Science (Class J)
  - Psychology (BF)
  - Religion (BL-BX)
  - Science (Class Q, excluding QA, QM)
  - Social Sciences (Classes G, H)
  - Technology/Engineering (Class T, excluding TR, TT)

**Pre-Established DDA Settings**
- Default settings for purchase triggers, short-term rentals and other parameters are pre-set, yet adjustable per your preferences or experiences with Easy DDA – supported by comprehensive real-time usage data.
- Settings are based on analysis of hundreds of DDA programs from around the world that EBL, the ProQuest company whose technology governs the program, has collected since 2005.
- LYRASIS and EBL staff can work with you to select collections and parameters that will come in within 5 percent of your budget.
Language & Linguistics

Pronunciator
- The world’s largest language learning service and uses a combination of interactive techniques (e.g. virtual coaching, pronunciation analysis), and proven methods (e.g. audio lessons, scored quizzes), in a structured learning approach that focuses on the intensive reinforcement of what is learned.
- A “more the merrier” offer with a set group term of July 1-June 30, annually with a June 15 deadline for group size determination.
- The minimum discount is 10% and the maximum discount is 45%, off list.
- Open to all LYRASIS Member Libraries, including current, direct subscribers, who may join the LYRASIS group at the end of their current terms.
- Gratis access through 06/30/2014.
- No signed license agreement required – central license with LYRASIS secured to which libraries will need to agree at the point of order is available here: Pronunciator Member Terms

Science, Technical, Engineering, and Medical
